

# BREAKROOM POLICY

Stay vigilant in continuing COVID-19 safety measures to keep our patients, our teams, and our families safe.

**Wear a face mask at all times**

**Practice social distancing - 6 feet minimum**

**Reduce breakroom capacity to 25%**

**Wash your hands frequently**

**Use sanitizer when washing is not possible**

**Cover your coughs and sneezes**

**Don't shake hands or touch your face**

**Stay home if you don't feel well**

**Avoid gatherings of over 10 people**

**Avoid contact with people who are sick**

**Get vaccinated for the flu**
